#### **Itemization of Services Rendered by Applicant**

Annexed hereto as “**Exhibit A**” is a schedule of the aggregate number of hours expended and fees incurred by professionals and paraprofessionals during the Monthly Fee Period by project category. Annexed hereto as “**Exhibit B**” is a schedule of the individuals and their respective titles that provided services during this Monthly Fee Period, along with their respective billing rates and the total number of hours spent by each individual during this Monthly Fee Period.<sup>2</sup> The blended hourly billing rate of attorneys for all services provided during the Monthly Fee Period is \$1,080.07.<sup>3</sup> The blended hourly billing rate of all paraprofessionals is \$383.68.<sup>4</sup>

---

<sup>2</sup> The rates for certain associates working on this matter increased as of September 1, 2020, in connection with the associates’ yearly step-up in seniority, but this annual step-up is not considered a “rate increase” as the billing rate among the applicable associate class does not change.

<sup>3</sup> The blended hourly rate for all attorneys was derived by dividing the total fees for such professionals of \$140,733.50 by the total hours of 13.30.

<sup>4</sup> The blended hourly rate for all paraprofessionals was derived by dividing the total fees for such paraprofessionals of \$7,098.00 by the total hours of 18.50.

Annexed hereto as “**Exhibit C**” is a schedule of the actual, necessary expenses that Applicant incurred during the Monthly Fee Period.

Annexed hereto as “**Exhibit D**” are the time records of Applicant for this Monthly Fee Period organized by project category with a daily time log explaining the time spent by each attorney and other professional and an itemization of expenses.

### **Notice**

Applicant will provide notice of this Application in accordance with the Orders. Applicant submits that no other or further notice be given.

Pursuant to the Interim Compensation Order, any party objecting to the payment of interim compensation and reimbursement of expenses as requested shall, within 14 days of service of the Statement, serve via email, to the Notice Parties (as defined in the Interim Compensation Order), a written notice setting forth the precise nature of the objection and the amount at issue.

If no objection is timely served pursuant to the Interim Compensation Order, the Debtors shall be authorized and directed to pay Applicant an amount equal to 80% of the fees and 100% of the expenses incurred during the Monthly Fee Period.

If an objection is timely served pursuant to the Interim Compensation Order, the Debtors shall be authorized and directed to pay Applicant an amount equal to 80% of the fees and 100% of the expenses that are not subject to an objection. Any objection must set forth the precise nature of the objection and the amount at issue. It shall not be sufficient to simply object to all fees and expenses.

WHEREFORE, Applicant respectfully requests (i) compensation in the amount of \$519,223.20, which represents 80% of billable time for services rendered by Applicant as co-counsel to the Ad Hoc Committee during this Monthly Fee Period, and (ii) reimbursement of the

actual, necessary expenses incurred and recorded by Applicant during this Monthly Fee Period in the amount of \$5,852.10.
